RECEIVED

DEC 10 1999

ATTORNEY GENERAL'S OFFICE  
CRIMINAL JUSTICE DIV - OLYMPIA

ROBERT J. MOORE,

Plaintiff,

v.

DON L. MCCULLOCH, et al.,

Defendants.

Case No. C99-5561FDB

ORDER APPROVING AND  
ADOPTING REPORT AND  
RECOMMENDATION, AND  
DISMISSING ACTION

The plaintiff is a prisoner of the Washington Department of Corrections. He seeks damages and other relief under 42 U.S.C. § 1983 for alleged violations of his constitutional rights. The Honorable J. Kelley Arnold, U.S. Magistrate Judge, has reviewed this matter and recommended that this action be dismissed as frivolous. Judge Arnold reports that each of the plaintiff's grab-bag of claims are patently flawed. The plaintiff in his memorandum of objections does not address Judge Arnold's points, but instead generally pleads with the court to reach the merits of his claims.

Judge Arnold's reasoning is persuasive. It is hereby

ORDERED:

(1) The court adopts the Report and Recommendation;

(2) This action is DISMISSED as frivolous; and

(3) The clerk of court is directed to send copies of this order to the Plaintiff and to the Honorable J.

Kelley Arnold.

DATED this 8 day of December, 1999.
